

8th International Congress of the Polish Society for Emergency Medicine
May 11th – 14th, 2023, Bydgoszcz, Poland

Thursday, May 11th, 2023

PRE-CONGRESS WORKSHOPS	
	<ol style="list-style-type: none"> 1) The use of Trans-Esophageal Echocardiogram in Resuscitation: An Introductory How To. <i>(Irina Sanjeevan- Cabeza)</i> 2) Out-of-Hospital Preterm Delivery: Recommendations for Physicians, Paramedics, and Emergency Nurses. <i>(Arleta Zajączkowska – Sadlok, Maciej Socha, Martyna Stankiewicz, Katarzyna Leńska), in cooperation with Laerdal.</i> 3) Ultrasonography in Emergency Medicine: TRAUMA, CHEST, SHOCK. <i>(Svetlana Zakharchenko, Marsia Vermeulen)</i> 4) ECPR Protocol: ECMO TEAM DYNAMIC. <i>(Mateusz Puślecki, Marek Dąbrowski, Maciej Sip, Jarosław Ratkowski)</i> 5) Hospital Incident Command System: Organizational Approach to All Hazards. <i>(Dan O'Brien, Terrence Mulligan)</i>

SCIENTIFIC SESSIONS

14:00 – 15:30	SESSION 1A / Room “WIOSNA”	SESSION 1B / Room “JESIEŃ +LATO”	
	Emergency medicine in clinical practice (part I) Moderators: Dariusz Timler, Mariusz Siemiński	Pediatric emergency medicine Moderators: Iwona Sadowska – Krawczenko, Juliusz Jakubaszko	
15'	Spontaneous intracerebral hemorrhage in patients taking oral anticoagulants. <i>Mariusz Siemiński, Karolina Szaruta-Raflesz, Piotr Pałczyński, Maria Kałas (Gdańsk)</i>	20'	Cardiopulmonary resuscitation for newborns performed immediately after delivery in prehospital and emergency department settings: Recommendations. <i>Iwona Sadowska – Krawczenko (Bydgoszcz)</i>
20'	Trans-Esophageal Echocardiogram (TEE) in the ED: When, why, and how? <i>Irina Sanjeevan- Cabeza (USA)</i>	20'	Foreign body ingestion in children: Is it urgent or can we wait? <i>Anna Szaflarska – Poptawska (Bydgoszcz)</i>
20'	The use of high flow oxygen therapy in the emergency department. <i>Marzena Wojewódzka – Żeleznikowicz (Białystok)</i>	15'	Current aspects of pediatric trauma care from the pediatric surgeon point of view. <i>Przemysław Gałązka (Bydgoszcz)</i>
20'	Diabetic ketoacidosis pitfalls. <i>Adan R. Atriham (USA)</i>	15'	Pediatric oncologic emergencies: Introduction and clinical characteristics. <i>Edyta Jędrzejak (Wrocław)</i>
15'	Can the outcome of severe patients admitted to the ED be uncovered quickly?	15'	Pediatric oncologic emergencies: A review of cases. <i>Magdalena Matuszewska (Wrocław)</i>

	<i>Piotr Woźniak, Mariusz Siemiński, Rafael Petrosjan, Jakub Głogowski, Jakub Czechatka, Jan Pyrzowski (Gdańsk)</i>		
15:30 – 16:00	Coffee break		
16:00 – 17:30	SESSION 2 / Room “JESIEŃ + LATO”		
<p>Resuscitation updates</p> <p>Moderators: Marzena Wojewódzka -Żelezniakowicz, Rakesh Jalali, Dariusz Timler</p>			
20'	CPR quality improvement during in-hospital cardiac arrest based on my experience. <i>Rakesh Jalali (Olsztyn)</i>		
20'	Time consuming of AED localization with a mobile telephone search: One university center, prospective study. <i>Wojciech Timler, Dariusz Timler (Łódź)</i>		
20'	The effectiveness of alternative defibrillation methods. <i>Ewelina Stępniewska, Tomasz Łopaciński (Gdańsk)</i>		
20'	Endovascular resuscitation: REBOA, when, who, why, and for whom? <i>Karolina Szaruta – Raflesz, Piotr Woźniak (Gdańsk)</i>		
18:00	<p>Opening Ceremony</p> <p>Location: room “WIOSNA + ZIMA”</p> <p>Opening Addresses.</p> <p>Welcome Addresses.</p> <p>Polish Society for Emergency Medicine Honorary Membership Nominations: Juliusz Jakubaszko Dan O'Brien Gary Gaddis</p> <p>Inaugural Lecture: What excites about Emergency Medicine in XXI century. Gautam Bodiwala</p> <p>Welcome Concert: Medici Canters: The Choir of the Bydgoszcz Medical Chambers</p> <p>Welcome Cocktails</p>		

Friday, May 12th, 2023

9:00 – 11:00		SESSION 3A / Room “WIOSNA”	SESSION 3B / Room “JESIEŃ + LATO”	Room “ZIMA”
Battlefield medicine		Poster session		WORKSHOPS
Moderators: Beata Zysiak – Christ, Dariusz Timler		Moderators: Andrzej Witkowski, Kinga Grobelska, Jerzy Bednarski		
20'	Just-in-time training for emergency medical response to nuclear detonation. <i>Cham E. Dallas (USA)</i>	8'	Development opportunities for emergency department physician assistants: A qualitative assessment. <i>Joanna Siereńska, Zuzanna Węglowska, Adriana Kowalke, Mariusz Siemiński</i>	Polish standard of medical education for future physicians: practical aspects of building a program of study and implementing education in the area of medical communication. <i>A. K. Jankowska (Bydgoszcz)</i> <i>J. Soczywko (Bydgoszcz)</i>
20'	Wartime medicine: Whose business, is it? <i>Katarzyna Hampton (PL/USA)</i>	8'	Case report: Severe complications of endotracheal intubation in a child. <i>Julia Gatniejewska, Marta Kwiatkowska – Zdulska, Kacper KroczeK, Przemysław Gałqzka</i>	
20'	Teaching rabbits how to smoke: Wartime medical skills for seasoned medics and non-medical trainees. <i>Andrii Telezhnyi (Ukraine)</i>	8'	Case report: Ischaemic stroke in a 13 year-old successfully treated utilizing mechanical thrombectomy. <i>Krzysztof Białkowski, Julia Gólska, Tomasz Kłosiewicz</i>	
		8'	Biomarkers and early warning scores in ED patients: Is it love or a marriage of convenience? <i>Rafael Petrosjan, Jakub Leszczyński – Czeczatka, Jakub Głogowski – Kulasza, Piotr Woźniak, Mariusz Siemiński</i>	
20'	Trauma management in the setting of the current Russian – Ukrainian war. <i>Nataliya Izhytska, Dmytro Samofalov (Ukraine)</i>	8'	Canadian CT head injury rule in patients with seizure-related head injuries: A retrospective study. <i>Kornelia Kowalik*, Adam Łukaszuk*, Łukasz Janicki* (*equally contributed), Sebastian Piwowarczyk, Mariusz Siemiński</i>	
20'	“W międzyczasie” Foundation volunteer combat medics’ rescue efforts on the front line in Bakhmut, Ukraine: A preliminary report. <i>Tomasz Jurek, Damian Duda, Robert Jędrych, Beata Zysiak - Christ</i>	8'	Insidious, deadly, common: Polytrauma with pelvis fracture. <i>Lars Andreas Morsund, Shradha Singh, Piotr Woźniak</i>	
		8'	Emergency department physician assistants: survey of the physicians. A qualitative assessment. <i>Adriana Kowalke, Joanna Siereńska, Zuzanna Węglowska, Mariusz Siemiński</i>	
15'	Managing massive hemorrhage in civilian rescue conditions based on TCCC guidelines: Reality and perspectives. <i>Beata Zysiak – Christ (Wrocław)</i>	8'	Evaluation of current and future medical staff on the course of action with trauma patients. <i>Anna Dąbrowska, Wiktoria Malik, Weronika Jarych, Dorota Czachor, Anna Wściślak, Zuzanna Świąder, Łucja Komisarczyk, Piotr Pałczyński</i>	
5'	Discussion	8'	Assessment of physician’s assistants performance by nurses and paramedics of emergency department. <i>Zuzanna Węglowska, Joanna Siereńska, Adrianna Kowalke, Mariusz Siemiński</i>	

11:00 – 11:30	Coffee break		
11:30 – 13:00	SESSION 4A / Room “WIOSNA”	SESSION 4B / Room “JESIEŃ + LATO”	Room “ZIMA”
Communication in emergency medicine. (In cooperation with the Polish Society for Medical Communication) Moderators: A. K. Jankowska, Gautam Bodiwala		Emergency medicine in clinical practice (part II) Moderators: Rakesh Jalali, Jerzy Robert Ładny	
20'	Communication challenges in emergency medicine. <i>A. K. Jankowska (Bydgoszcz)</i>	20'	Current recommendations for antibiotic therapy in the emergency department. <i>Jerzy Robert Ładny (Białystok)</i>
20'	What makes a great team great? <i>Adan R. Atriham (USA)</i>	20'	The management of stroke patients in the prehospital setting and in the emergency department. <i>Rakesh Jalali (Olsztyn)</i>
20'	Between us medics: Handing over a patient. <i>Grzegorz Cebula (Kraków)</i>	20'	Risk assessment using suPAR in the Emergency Department. <i>Jesper Eugen – Olsen</i> <i>Sponsored by: Biomedica</i>
15'	ED provider and nursing interaction via education: What is “nodal education”? <i>Anthony Rodigin (USA)</i>	15'	Transvenous pacing: An interesting case of bradycardia. <i>Nicole Tyczynska (PL/USA)</i>
		15'	Utilization of high-flow nasal cannula in the emergency department. <i>Beata Wojewódzka</i> <i>Sponsored by: Fisher&Paykel</i>
13:00 – 14:00	Lunch break		
14:00 – 16:00	SESSION 5A / Room “WIOSNA”	SESSION 5B / Room “JESIEŃ + LATO”	Room “ZIMA”
Emergency department management (In cooperation with the Polish College of Emergency Physicians) Moderators: Patryk Konieczka, Mariusz Siemiński, Jerzy Robert Ładny, Arkadiusz Kosowski		Toxicology session: poisonings in the practice of emergency medicine Moderators: Magdalena Łukasik – Głębocka, Dorota Klimaszyk, Krystyn Sosada	
20'	Generational changes in healthcare. <i>Tomasz Stefaniak (Gdańsk)</i>	30'	“Acute-on-chronic” poisonings. <i>Dorota Klimaszyk (Poznań)</i>
20'	The role and importance of ED Physician Assistants. <i>Zuzanna Węglowska, Mariusz Siemiński, Joanna Siereńska, Adrianna Kowalke (Gdańsk)</i>	20'	“One pill can kill”: Assessing poisonings in children. <i>Małgorzata Rak (Rybnik/Sosnowiec)</i>
20'	Transformation of the “hospital urgent admission area” into the Emergency Department – organizational challenges based on Pediatric Center in Poznan, Poland. <i>Maurycy Biernat (Poznań)</i>	20'	Toxicology tests in the emergency department. <i>Karina Sommerfeld – Klatta (Poznań)</i>
		Advanced Concepts of Intraosseous Vascular Access – Arrow EZ-IO Teleflex Polska, Sp. z o.o.	

20'	From samurai to resident: A new look at the development of the medical professional in emergency medicine. <i>Monika Rozmarynowska (Poznań)</i>	20'	Differentiation of acidosis in toxicology: An online lecture. <i>Eryk Matuszkiewicz (Poznań)</i>	
20'	A private management model of the emergency department: Is it working? <i>Patryk Konieczka (Poznań)</i>	10'	Poisonings in teenagers: new trend? <i>Małgorzata Rak (Rybnik/Sosnowiec)</i>	
20'	What are we fighting for? The main pillars of the proposed changes in the financing of emergency departments by the Polish College of Emergency Physicians. <i>Maurycy Biernat, Patryk Konieczka (Poznań)</i>		Dyskusja	
16:00 – 16:30	Coffee break			
16:30 – 18:00	SESSION 6A / Room “WIOSNA”	SESSION 6B / Room “JESIEŃ + LATO”	Room “ZIMA”	
Ultrasonography in emergency medicine Moderators: Jim Connolly, Dan O'Brien		Education and medical simulation Moderators: Grzegorz Cebula, Zofia Tekień – Jankowska		WORKSHOPS
20'	Ultrasound fellowship: Excess or basic necessity? <i>Katarzyna Hampton (PL/USA)</i>	20'	Medical simulation instructors: Who are they? <i>Grzegorz Cebula (Kraków)</i>	Modern technologies improving the survival rate of SCA patients – practical workshop. <i>Rakesh Jalali (Olsztyn)</i> <i>With the support of Paramedica.</i>
20'	PoCUS things we have got wrong: Slaying Dogma!! <i>Jim Connolly (UK)</i>	20'	Let's take simulations outside sim labs! <i>Tomasz Kłosiewicz (Poznań)</i>	
20'	Reducing diagnostic uncertainty in critically ill patients. <i>Dan O'Brien (USA)</i>	15'	Simulation wars: Evaluating teaching quality utilizing high fidelity – simulation. <i>Paweł Musiał (Zabrze)</i>	
15'	Building a sophisticated departmental POCUS infrastructure. <i>Svetlana Zakharchenko (USA)</i>	15'	The ups and downs of medical simulation: Experiences of the Training Trauma Team. <i>Agnieszka Bartyka, Anna Burczyńska, Piotr Sakra, Cyprian Dębowski (Łódź)</i>	
15'	<i>How the war has changed the priorities and vision of POCUS education.</i> <i>Maryna Murhina (Ukraine)</i>	15'	Modern technology as a teaching aid in learning medical communication – premiere of the educational application. <i>Julita Soczywko, Aldona K. Jankowska, Emil Grużalski, Dawid Stopczyński (Bydgoszcz/Toruń)</i>	

Saturday, May 13th, 2023

9:00 – 11:00	SESSION 7 / Room “WIOSNA”		Room “ZIMA”	
Emergency Medicine: European and Global Perspectives			WORKSHOPS	
Moderators: Juliusz Jakubaszko, Lisa Moreno- Walton, Carlos Garcia Rosas				
20'	Well-being in ED (online lecture). <i>Luis Garcia Castrillo (Spain)</i>		Management of massive hemorrhage utilizing tourniquets and haemostatic dressings. <i>Beata Zysiak-Christ (Wrocław)</i> <i>Tomasz Jurek (Wrocław)</i>	
20'	Causes of burnout in the ED and thoughts on mitigating. <i>Lisa Moreno – Walton (USA)</i>			
20'	The role of leadership in Emergency Medicine. <i>Jim Connolly (UK)</i>			
20'	Global EM development in the Post COVID World. <i>Terrence Mulligan (USA)</i>			
20'	Emergency Medicine - Specialty Born of Research. <i>Gary Gaddis (USA)</i>			
20'	Disasters in Mexico: Lessons learned. <i>Carlos Garcia Rosas (Mexico)</i>			
11:00 – 11:30	Coffee break			
11:30 – 13:00	SESSION 8A / Room “WIOSNA”		SESSION 8B / Room “JESIEŃ + LATO”	
Trauma management in emergency medicine			Young Doctors Session	
Moderators: Adam Nogalski, Krystyn Sosada			Moderators: Ewa Raniszewska, Piotr Woźniak, Anna Pawlica	
15'	Trauma management of a pregnant patient. <i>Mariusz Jojczuk, Jerzy Bednarski, Adam Nogalski (Lublin)</i>		10'	76-y/o patient with chest pain and previously undiagnosed aneurysm of the abdominal aorta. <i>Daria Boboryk, Marek Jędrzejek, Anna Suska, Tomasz Gallina</i>
20'	Trauma and coagulopathy treatment in the ER. <i>Carlos A. Garcia Rosas (Mexico)</i>		10'	Gastrointestinal perforation after colonoscopy in a 46-year-old woman. <i>Natalia Wysocka</i>
15'	Geriatric injuries: Falls and head CTs, occult hip fractures. <i>Anthony Rodigin, MD (USA)</i>		10'	Malignant hyperthermia in the Emergency Department: A case report. <i>Filip Maślicki</i>
15'	Consequences of whiplash injury according to the newest medical publications. <i>Jerzy Bednarski, Mariusz Jojczuk, Adam Nogalski (Lublin)</i>		10'	Carboxyhemoglobin concentration in carbon monoxide poisoning and the patient's clinical condition and treatment. <i>Patryk Mitelsztet, Goutam Chourasia, Filip Maślicki</i>
15'	Features of work emergency medical aid teams at the pre-hospital stage in wartime conditions. <i>Olesia Tys, Jaroslav Kitsak, Roman Liachowycz (Ukraine)</i>		10'	Lipid emulsions – their use on the example of hypotensive drug poisoning case. <i>Agnieszka Bartyka</i>
			10'	Gynecological brain-twister or why the patient has syncope after in vitro fertilization: A care report. <i>Wojciech Środa</i>
			10'	A BRASH workout. <i>Aaron Kuzel (USA)</i>
10'	Injuries to children's abdominal and pelvic organs: Statistics, management, and complications based on hospitalizations, 2013 – 2023, in the		10'	Severe hyperglycemia accompanied by hyperosmolar hyperglycemic state as a manifestation of newly diagnosed type II diabetes mellitus with coexisting asymptomatic COVID-19 infection: case report.

	Department of General and Oncological Surgery of Children and Adolescents in Bydgoszcz. <i>Natalia Masur, Adam Wilczyński, Dominika Skinder, Przemysław Gałązka (Bydgoszcz)</i>		<i>Alicja Sierakowska, Sebastian Lechowski, Jacek Kleszczyński</i>
		10'	Coexistence of craniofacial injuries with cervical spine injuries. <i>Agata Kromer, Patrycja Kościńska, Jerzy Bednarski (Lublin)</i>
13:00 – 14:00	Lunch break		
14:00 – 16:00	SESSION 9A / Room “WIOSNA”	SESSION 9B / Room “JESIEŃ + LATO”	
New challenges for emergency medicine: Emergency Critical Care Moderators: Juliusz Jakubaszko, Jim Connolly, Gary Gaddis		Ethics, law, and psychology in emergency medicine Moderators: Alina Borkowska, Tomasz Jurek	
20'	New Horizons in Clinical Practice of EM. <i>Lisa Moreno – Walton (USA)</i>	20'	Aggression in ED: Individual strategies for coping with difficult situations of employees of the emergency department. <i>Kinga Grobelska (Bydgoszcz)</i>
20'	EM – the Bridge to ICU. <i>Gary Gaddis (USA)</i>	20'	A stranger on the trail: The ED team meets the psychologist. <i>Piotr Rychlik (Gdańsk)</i>
20'	Resuscitative Care Units: Critical care in the Emergency Department. <i>Dan O'Brien (USA)</i>	30'	Emergency Department and the prosecutor's office. <i>Krzysztof Kordel (Poznań)</i>
20'	The ICU with no walls: Global design for critical and intensive emergency care. <i>Terrence Mulligan (USA)</i>	20'	Generational conflict in the emergency department. <i>Michał Dworzyński (Łódź)</i>
20'	The golden hour of sepsis in the Emergency Department. <i>Juliusz Jakubaszko (Wrocław)</i>	10'	Dilemmas related to legal liability after procedures performed on the patient's face in the emergency department. <i>Patrycja Kościńska, Agata Kromer, Jerzy Bednarski, Aneta Pęczak (Lublin)</i>
20'	Early identification of sepsis. (online lecture) <i>Francois Ventura (Switzerland)</i>		
16:00 – 16:30	Coffee break		
16:30 – 18:00	SESSION 10A / Room “WIOSNA”	Room “JESIEŃ + LATO”	
Session in cooperation with the Polish Society of Emergency Nursing Moderator: Marek Maślanka, Anna Małecka - Dubiela		<p style="text-align: center;"><i>The Polish Society for Emergency Medicine General Assembly Time: 16:00 – 19:00</i></p>	
20'	Emergency Nursing: 2022 report. <i>Anna Małecka-Dubiela (Gdańsk)</i>		
20'	The position of a triage nurse in the emergency department. <i>Anna Małecka-Dubiela (Gdańsk)</i>		
20'	Patients in the emergency department with different types wounds - nursing perspective. <i>Urszula Jakubowska (Białystok)</i>		
20'	Documentation of a patient's violent behavior by medical staff of the hospital emergency department. <i>Anna Burak (Bydgoszcz)</i>		
10'	Discussion		

Sunday, May 14th, 2023

9:00 – 10:30	SESSION 11 / Room “WIOSNA”
Emergency medicine in clinical practice (part III)	
Prowadzący: Juliusz Jakubaszko, Janusz Sokołowski	
20'	Onco - Emergencies in EM clinical practice. <i>Leon Sanders (USA)</i>
20'	Elderly Patient – Medication Related Problems in ED. <i>Gary Gaddis (USA)</i>
15'	A geriatric patient in the ED: How can we improve their quality of care? <i>Tomasz Kłosiewicz, Dorota Rutkowska, Maurycy Biernat, Julia Żukowska – Karolak, Karolina Piotrowicz, Jerzy Gąsowski</i>
20'	Emergency department management of acute coronary syndrome. <i>Jacek Szypenbejl, Mariusz Siemiński (Gdańsk)</i>
15'	Clinical trials in emergency medicine: An underestimated development opportunity. <i>Mateusz Paplicki, Janusz Sokołowski, Joanna Jakubaszko, Goutam Chourasia, Juliusz Jakubaszko (Wrocław)</i>
11:00 – 12:30	SESSION 12 / Room “WIOSNA”
Emergency medicine in clinical practice (part IV)	
Moderators: Dariusz Timler, Dorota Rutkowska	
15'	Assessment of the safety of callemia compartments in patients hospitalized at the Department of Internal, Autoimmune and Metabolic Diseases of the University Clinical Center of the Medical University of Silesia in Katowice. <i>Paweł Musiał (Zabrze)</i>
15'	Evaluation of the cooperation between Urgent Care Centers and the Emergency Departments of three hospitals. <i>Adam Macech (Biała Podlaska), Katarzyna Nowak – Zajęc, Stojgniew Sitko, Anna Macech</i>
20'	Thoracostomy catheters: Tricks and tips for placement and management in the ED. <i>Nicole Tyczynska (PL/USA)</i>
15'	Usage of a l-gel laryngeal mask in clinical practice. <i>Michał Dworzyński (Łódź)</i>
20'	Modern algorithm of triage during war in Ukraine. <i>Roman Liachowycz (Ukraine)</i>
12:30 – 13:00	Closing Ceremony of the CEEM 2023 Congress.
